C:/X86(E) NFS: Most Wanted (M1, Mike Tool(7:22 Bupa, 18 Jan 2013. I am having same issue as you (NFS:MW Crashes: Comes up with blackscreen/screen flashes) I installed it on top of windows xp sp3 . May 19, 2013 In some computers Need For Speed The Run not runs. When user try to run game the black screen displays and upper right corner animating icon . Dec 3, 2011 Nfs most wanted 2 will just randomly crash and return to the desktop but it does sound like the sound problem. Even when the game is frozen I can still hear the music as it stops playing. Tried the manual patch that i'm sure worked earlier but to no avail! . I was just wondering if there was any problems or bugs with the version 1.0. I installed it on my notebook. It was a fresh install of Windows 8.1. And I didn't have any problem with the install or the version until I installed the update. I don't know if this is a link or a bug. Like I said, I've had no problems after the update. . As of the time of writing, NFSTheRun\_EUR is the only branch in need of maintainers, and it is on hold. It has been this way since February 25, 2012. At the moment, it's in need of users to file bugs, test them, and hopefully find the problems. New users are welcomed, but experienced testers are appreciated. Please refer to the BRR-042 for more information. . I'm having this issue with the newest version of nfs now, and I've tried the 25/06/2012 version and the only thing I get is a black screen with the loading bar when I launch the game. I heard that this patch is not working in certain computers and that it's likely to have some compatibility issues with some computers. I'm trying to get this fixed since it's very annoying. One way to solve this problem is installing windows 7 on my computer and then installing nfs on there, but I don't know if this would solve the problem, and I'm afraid to mess up windows 8 with this. Any help in this matter is appreciated. Thanks! I recently got my new computer with windows 8 and the DVD/game to play. It has an Intel C2D processor and a GeForce e24f408de9
