FIFA, FIFA 17, FIFA 18 and FIFA 19 were the first four FIFA games to feature authentic player motion capture technology in an attempt to bring the game back to being an authentic football experience. The full reveal trailer for the game can be viewed below: FIFA 22 is coming out October 9 for PlayStation 4, Xbox One and Windows PC. Update 12/11/19 - A trailer highlighting all the new gameplay features of FIFA 22 has been released:Q: Google maps and set map height I'm using Google maps api v3 and have used js to set the latitude and longitude to a div. JS var myLatLng = new google.maps.LatLng(1.5015419, 10.2836009); var myOptions = { zoom: 13, center: myLatLng, mapTypeId: google.maps.MapTypeId.ROADMAP }; var map = new google.maps.Map(document.getElementById("map"), myOptions); HTML I would like the map to be 400px wide and want my markers to show on top of the map. Any ideas? Thanks A: You have to add style attributes to your div with id "map" like this : And If you really want the div to be 400px wide, you should add this line : position: fixed; Your map should be a div with position set to fixed. And the div of your markers must be in the same line that your div of your map. Something like this :

FIFA is the world's most popular soccer game. In FIFA, you'll control your favorite club through an authentic player journey. Collect club, training, and player legends to earn licenses, upgrade stadiums, and manage your club through the transfer market. How do I launch FIFA? Where can I find a FIFA demo? FIFA Demo is available to download for free on Xbox and Xbox Game Preview. The demo provides the game's 14-minute intro, and you can also check out how FIFA 2018 gameplay will look and play prior to FIFA 19. What are the most important update features and gameplay enhancements? The PS4™ and PC platforms feature radical gameplay improvements and are playable in full 4K – for the first time in this generation – on PS4 Pro and PC with the help of 4K HDR. FIFA is coming to Android tablets for the first time ever in FIFA 20: iPad, Apple TV, and Android devices are all getting FIFA 20 for free, starting from November 24, 2019, and continuing through March 2020. The wildly popular “Create a Player” feature is being strengthened in FIFA 22, allowing your viewers to get involved and even contribute to how they want to see your favorite players develop. Players can now be invited to view pre-made content and face your thoughts and reviews. Every submission will appear in public so your fans can see that their opinion has been heard. FIFA Ultimate Team™ is being created around core gameplay changes to improve power and speed of gameplay. New tools are also being introduced to make gameplay easier to use for players who make these changes on a regular basis. You can even preview the new gameplay improvements through a short walkthrough of FUT, which starts with a tutorial while navigating through gameplay using a range of options available during gameplay. How does FIFA 20 compare to FIFA 19? The 2019 season marks the biggest game-wide redesign in our history. Everything about FIFA 20 is about "FUT" this, "FUT" that. So we decided to reward our customers – the fans – with a whole new Season Pass for \$99.99* (\$69.99 for the Legacy Edition) and it includes all of the game's key modes, a new Ultimate Team, all 4K experiences on PS4 Pro and PC, all future content updates and much more. PS4 Pro
