2019-10-25 08:02:26, Change:~Edit, in software/Infinite, please remove references to 'instructions/infinite-coins.txt' and replace it with a reference to the'money-hack.txt' script in the software/scripts folder, because that's what has the new messages in it.'s choice of a forum will rarely be disturbed, and, thus, the plaintiff has the burden to prove, by "clear and convincing evidence," that it would be unreasonable for the district court to retain jurisdiction. In re Gen. Am. Life Ins. Co. Sales Practices Litig., 54 F.3d 1420, 1430 (11th Cir. 1995); see also Goodyear Dunlop Tires Operations, S.A. v. Brown, --- U.S. ----, 131 S.Ct. 2846, 2855 (2011) ("So long as the relevant forum has some connection to the plaintiff's cause of action, the forum is not inappropriate."). Here, the district court concluded that it was appropriate to exercise jurisdiction over the entire action because, as we noted earlier, all of the relevant conduct took place in Florida. We cannot say that the district court abused its discretion in this decision. We also reject Mr. Harrell's argument that the district court should not have exercised personal jurisdiction over him because he did not purposefully direct any conduct toward Florida. A defendant's purposeful direction of conduct toward a forum gives rise to specific personal jurisdiction, but a defendant's purposeful direction of conduct toward a forum is not a necessary requirement for personal jurisdiction if there is no other basis for the exercise of personal jurisdiction.
